21. **Resolutions From Other Local Authorities.**

Waterford City Council

“Waterford City Council calls on the Minister for Health and the HSE to develop and implement a Stroke Strategy which would save up to 500 lives a year, and improve the rehabilitation of thousands of stroke sufferers who are left disabled unnecessarily”.

Clones Town Council

“That Clones Town Council supports the two objectives of the Irish Lobby for Immigration Reform in the U.S.: 1. a path to legal status for the undocumented Irish in the U.S., and 2. a path to legal status for future Irish immigrants.

That we write to the Minister for Foreign Affairs, Mr Micheál Martin and the Irish Ambassador to the U.S. asking them to expedite a bi-lateral agreement with the U.S. Administration to address these issues. That this motion be circulated to all Local Authorities North and South, seeking their support for this motion and asking them to write to Mr. Martin. The undocumented Irish Community in the U.S.A. is in deep difficulty. Young Irish men and women cannot return to Ireland for normal family and social events, like marriages,

christenings, anniversaries, funerals, etc. or to visit parents or siblings, because of the fear of not getting back into the country. Many have set up home, families and businesses. They contribute to the economic and social life of their communities.

A two-tier structure has emerged in Irish neighbourhoods over legal status. Organisations such as GAA are unable to play games in Ireland because of visa issues, while Irish Immigration centers across the U.S. are reporting a surge in new arrivals”.

Clones County Council

“Clones Town Council calls on the Minister for Social and Family Affairs to relax the ‘Habitual Residency conditions’, for Irish citizens returning from the USA and other countries. These conditions can cause hardship for returning Immigrants some of whom can be sick or injured or even deported, these people can not avail of social welfare until they are back for two years’.

Kilkenny County Council

“That Kilkenny County Council fully supports the National Coalminers Group to establish a Statutory Compensation Tribunals for those who worked in the industry in Counties Kilkenny, Laois, Tipperary and Roscommon”.

Kerry County Council

“At a recent meeting of Kerry County Council, the Members passed a vote of No Confidence in the Minister for Finance and the Minister for Health arising out of the proposals in the Budget to change the Medical Scheme for the over 70’s. Members requested that this resolution would be forwarded to all Local Authorities”.

Limerick County Council

“That, Limerick County Council calls on the Supermarkets of Ireland to curtail their opening hours and days during the Christmas period”.

Limerick County Council

“That, Limerick County Council call on the Minister for Education and Science not to introduce Third Level Fees for students and that we call on the Taoiseach to replace the Minister for Education following his refusal to reverse budget cutbacks in education, and that this motion be circulated to every local authority in the country”.

Kilrush Town Council

“That this Council would strongly recommend that Central Government return monies accrued from Road Tax in Clare be returned to Clare County Council and for it to be distributed fairly within all the electoral areas”.

22. Any other business incidental to the meeting arising with the permission of the Cathaoirleach.
