## Notices of Motion

7. Councillor Pat English  
"That South Tipperary County Council ensure emergency resources are procured from Government to ensure our roads (main and byroads) are adequately gritted during adverse weather conditions". 31/12/09
8. Councillor Pat English  
"That this Council in the interest of public safety repaint the roundabout in Grange Village & provide signs on approach roads to indicate that a roundabout is ahead". 31/12/09
9. Councillor Pat English  
"That South Tipperary County Council in the interest of public safety and in conjunction with the landowner, remove the hedging at Keatings Cross, Grange in the direction of Ardfinnan". 31/12/09
10. Councillor Pat English  
"That South Tipperary County Council amend the County Development Plan 2009 to include "The Planning System and Flood Risk Management Guidelines for Planning Authorities" issued by the Department of the Environment, Heritage & Local Government and the OPW in the interest of avoidance, reduction and mitigation of flood risk". 31/12/09
11. Councillors Marie Murphy & Joe Brennan  
"That this Council failed in its obligation to provide an adequate gritting service to all the people of South Tipperary during the extremely dangerous road conditions experienced over the past few weeks. We as a Council must ensure that sufficient resources are put in place so that this does not happen in the future and therefore, request funds from the Department of Environment, Heritage and Local Government in the interest of public safety". 31/12/09
12. Councillors Marie Murphy & Joe Brennan  
"That this Council under its winter maintenance service prioritise school bus routes for gritting during icy road conditions. Footpaths outside of schools and post offices should also be gritted as a matter of urgency and therefore request funds from the Department of Environment Heritage and Local Government as a matter of public safety". 31/12/09

13. Councillor Joe Brennan  
"South Tipperary County Council develops a policy regarding roads that flood regularly by placing permanent warning signs that flooding can occur and signs indicating water depth".  
31/12/09
14. Councillor Marie Murphy  
"What are the up to date details of the progress made, if any, of plans to extend Shanrahan Cemetery, Clogheen. I would also request that the extension to Shanrahan is prioritised as there are only a few burial spaces remaining. 31/12/09
15. Councillor Marie Murphy  
"That the Housing Section advises as to the current status of the new houses in Ballyporeen:  
(a) When will the tenants receive the keys to their new homes and when can the tenants who were allocated the houses in May of 2009 expect to move in?  
(b) The sewerage tank associated with the sewerage pumping station at the new houses is beside the Ballyporeen Playground site. The playground committee is concerned that the issues with this pumping station will interfere with the construction of the playground, which is scheduled to start in mid March. Can we allay the committee's fears?"
16. **Correspondence**  
(a) Letter dated 11<sup>th</sup> December, 2009 and enclosures from Senator Phil Prendergast regarding N.24, Tipperary Institute and Tipperary VEC.  
(b) Reply dated 18<sup>th</sup> December, 2009, from Office of the Minister for Foreign Affairs
17. Any other business incidental to the meeting arising with the permission of the Cathaoirleach.
