- Grab-rails;
- Access ramps;
- Level access showers;
- Stair-lifts; and
- Other minor works deemed necessary to facilitate the mobility needs of a member of a household.

The effective maximum grant is €6,000 or 100% the cost of the works, whichever is the lesser. The grant is available to households whose gross annual household income does not exceed €30,000.

3. Household Income

Household income is calculated as the property owner's annual gross income in the previous tax year, together with that of his or her spouse/partner, if applicable.

In the case of private rented accommodation, household income is calculated as the tenant's annual gross income in the previous tax year, together with that of his/her spouse, if applicable.

In determining gross household income local authorities shall apply the following disregards:

- €5,000 for each member of the household aged up to age 18 years;
- €5,000 for each member of the household aged between 18 and 23 years and in full time education or engaged in a FAS apprenticeship;
- €5,000 where the person for whom the application for grant aid is sought, is being cared for by a relative on a full-time basis;

6. Appeals Procedure

In processing applications under the Mobility Aids Housing Grant Scheme the authority recognises that some applicants may be dissatisfied with the authority's decision. The authority will give every applicant an appeal mechanism, which will allow him or her to have the decision in his or her case reconsidered by another official.

The following procedure shall apply to each appeal:

Applicants are invited to submit a written appeal on any decision notified to them by the local authority on their application within 3 weeks of the date of the decision stating the reasons for the appeal.
