

SECTION 7: CONCLUSION

This Managers Report sets out the consideration of, and thereafter the recommendation of the Manager, which has lead to proposals to amend the Draft County Development Plan 2009-2015. This Report sets out Material Amendments to the Draft County Development Plan 2009-2015 and Draft Environmental Report, these vary in nature from relatively minor additions or deletions of text to amendments of a more significant scale. However, all amendments proposed are a result of a careful assessment of submissions received and receipt of up-to-date data that was not available at the time of publication of the Draft Plan and Draft Environmental Report.

The amendments proposed to the Draft County Development Plan 2009-2015 and Draft Environmental report shall be for the consideration of the Elected Members.
