**18. Correspondence**

- (a) Thank you letter dated 22<sup>nd</sup> May, 2008, from An Taoiseach, Brian Cowen, T.D.

**19. Resolutions from Other Local Authorities**

**Limerick County Council**

*“That, Limerick County Council oppose any attempt by the Minister for the Environment, Heritage and Local Government to restrict, impede, or prevent housing developments in towns, villages and settlements that do not have Local Area Plans and further, that the Council will seek the support of other local authorities and Oireachtas Members in Co. Limerick to ensure that this is not allowed to happen.”*

*“That Limerick County Council calls on the Minister for Agriculture and Food and the Government to strongly oppose the proposals of EU Trade Commissioner, Peter Mandelson, to reform the Common Agricultural Policy and the Council also calls on the Minister for Foreign Affairs, by the instruction of his cabinet under the Taoiseach, to use the Government’s veto, if necessary”.*

**New Ross Town Council**

*“That this council calls on the Minister for the Environment to allow local authorities to decide housing policy in their respective areas and that we further call on the Minister to ensure that the acquisition of land banks for social housing continues as central plank of housing policy at a local level”.*  
*Limerick County Council”*

**Macroom Town Council**

*“That Macroom Town Council call on the Minister for the Environment, Heritage and Local Government to change the law regarding the payment of refuse charges in private rented accommodation. At present, this is the duty of the tenants and not the landlord. In a lot of cases the tenants do not have long-term contracts, so why should they pay annual refuse charges. If a refuse service is provided to tenants, they will use it. A small increase in tenants rent would off-set the cost to landlords. Fly tipping has become a major national problem and this Council believes that a change in this law would greatly reduce this problem”.*

*“That we never forget the appalling tragedy of the Famine, the people who died, those who had to leave our shores in search of a new life and to escape the terrible tragedy of Ireland at that time.*

*In our dramatically changing Ireland it is very important that we remember this history of our country, therefore Macroom Town Council proposes that on an annual basis perhaps one of the Public Holiday Mondays be set aside as Famine Remembrance Day”*

20. Any other business incidental to the meeting arising with the permission of the Cathaoirleach.
